

***SOME PROGRAMS HAVE CHANGED OR HAVE BEEN DISCONTINUED.
PLEASE READ CAREFULLY!***

Dear Parents,

Many of you are familiar with the “No Cost – No Expense Fund Raisers” that continue here at St. Edward School. These programs bring in hundreds of dollars each year for SES, as well as help the environment through our simple recycling efforts. The monies raised help us to keep our tuition rates down, as well as supplement salaries and provide curriculum enhancement opportunities.

The wonderful thing about these programs is that they *do not cost anything extra!* They are as simple as cutting labels and shopping on various websites or in various stores.

- **BOX TOPS FOR EDUCATION** – Cut the “Box Top” from any General Mills product that has the label and send these into school. We turn them in and receive a yearly check.
- **COMMUNITY COFFEE** – Cut and save the UPC codes from Community Coffee products and St. Edward School will receive cash back from your purchases.
- **COKE REWARDS** - Cut and save the box or selected bottle caps from any Coke products you consume and *log them in at www.MyCokeRewards.com* for SES to receive money to buy products through their Rewards Program. *(It takes an extreme amount of time and volunteers to log them in when they're dropped off at school. If possible, please log them in yourself, or you may still bring them to school.*)
- **INKJET CARTRIDGE RECYCLING** – Our school recycles used inkjet and laser cartridges for CASH. ***PLEASE, NO GENERIC*** (already refilled) ***CARTRIDGES!*** We have a collection bin in the Front Office for your inkjet cartridges and we take the larger laser cartridges in the Development Office. If you think your employer would like to contribute as well, please contact the Development Office. Brands include: HP, Lexmark, Dell, Canon, Brother and Panasonic.
- **OFFICE DEPOT'S 5% BACK TO SCHOOLS PROGRAM** - Every time you use St. Edward School's 5% Back to Schools Program ID number when shopping for school or office supplies, SES will receive credits to use for free supplies throughout the year. Purchases can be made at any Office Depot store location, by calling 1-800-GO-DEPOT, or online at www.OfficeDepot.com in the United States.

(over)

- **SODA CAN PULL-TABS** – St. Edward School will collect the aluminum pull tabs off of any can. *When you've collected a LARGE ZIPLOC bag full*, send them in and we in turn will send them to the Ronald McDonald House . One gallon bag of pull tabs helps towards the cost of a child's chemotherapy treatment.
- **TARGET TAKE CHARGE OF EDUCATION** – Complete a Target Guest Card application and designate St. Edward School. Every time you shop at Target 1% of your Target Guest Card purchase will be donated to our school.
- **SCHOOLSTORE.COM** - Sign up using our school ID to have access to over 400 top online stores including Walmart, Target, Sears, Bass Pro Shops, etc.! Once signed up, you simply start shopping and St. Edward School will reap the benefits in the form of a percentage of your purchases!

So you see, it is simple to help support St. Edward School by taking advantage of these no cost fund raisers. Best of all, anyone can do these! **Please ask your friends, neighbors and relatives to participate.** These are a really neat way that family members all over the United States can support your children here at SES and it does not cost you or them anything extra. If you have any questions regarding these programs please contact me in the Development Office, (337) 369-6764.

Thank you!

Shana H. Boutte'
Development Director
